

Meriden takes part in The School Games! Follow them @SSolihullISSP

Festivals at Meriden

Meriden School takes part in festivals, 'Engage or Compete', which are events throughout KS1 and KS2.

Engage festivals are events that have recently been created to ensure that **all pupils** have the chance to experience and engage competition in school sports and physical activity.

Compete festivals have been created for a team/class of pupils to compete and represent their school. They then have the chance to be put forward to county competitions if they reach the final. Pupils who are selected for competitive events are based on their performances.

As a school we take part in as many festivals as possible, please see festivals that take place in each year group.

Year Group	Autumn Term	Spring Term	Summer Term
1	N/A	Gymnastics	N/A
2	Infant Agility	Gymnastics	Cheerleading
3	N/A	Personal Best Festival	Tri Golf
4	N/A	N/A	Chance2Shine (Cricket)
5	Dodgeball	Indoor Sports Hall Athletics Netball Skills	Chance2Shine (Cricket)
6	Indoor Rowing	Indoor Sports Hall Athletics Netball Skills	Tag Rugby

This is a timetable for the sports year however there may be more events we take part in or events we are unable to due to unforeseen circumstances.

In year 5 and 6 the pupils have the opportunity to attend netball and football clubs. During their time in the club, they will take part in matches and tournaments.

Every term, classes take part in intra-school competitions to award points for their houses. These are led by class teachers and celebrated on the newsletter and whole school assemblies.
