

Autumn 1 Homework Year 5

School value: RESPONSIBILITY

There are 2 grids below. The first includes activities which need to be completed every week to support learning in the classroom. The second is a project due in week beginning 21st October. School will offer a weekly homework club at lunchtime on a Friday for those children who need support to complete the weekly tasks. Project homework should be completed at home– please see your class teacher if you need any guidance.

Weekly Tasks			
<u>Home reading</u> Try to read every night and change your book when you need to.	<u>Spellings</u> Practise the spellings you are sent home fortnightly.	<u>English</u> Log in to SPAG.com Complete the 10 weekly questions.	<u>Maths</u> Log in to Maths.co.uk Complete the 10 weekly questions.

Project task!

This half term our project homework theme is GEOGRAPHY.

Your task is to create your own project all about a country in South America in preparation for our Spring topic 'Rainforests'. Think about how you present this... Could you create a folder, make a presentation, create a model or poster? The choice is yours. There will be a showcase of your projects and they will remain on display for the following half term.

Charity

Each year we ask for donations to Operation Christmas Child! Please look out for the leaflet and further information coming out soon. We'd love you to get involved; you could create a box as a family or pair up with someone in your class! Watch this video for ideas <https://youtu.be/677iIEeqXWY>
